

THE UNIVERSITY
of ADELAIDE

School of Mathematical Sciences PhD Open Days 2017

The University of Adelaide's School of Mathematical Sciences will be holding an event for students interested in studying a PhD in the Mathematical Sciences. The purpose of this event is to give potential students the opportunity to see our facilities, experience our high impact research environment/culture, and meet our students and staff. A limited number of travel support packages will also be available on a competitive basis.

The School of Mathematical Sciences has a long history of achievement in research and postgraduate education, and a reputation for providing a stimulating and supportive environment. The School is highly respected internationally for its research strengths in geometry, statistics, stochastic modelling and operations research, and dynamics, modelling and computation. Please see the website for further information:

www.ecms.adelaide.edu.au/maths

If you are considering studying for a PhD in the Mathematical Sciences in 2018 and are interested in the opportunities available at The University of Adelaide, don't miss the 2017 PhD Open Days event.

2017 Program Outline

Monday 18 September

Welcome and lunch
Tour of building, campus, and
Adelaide City and surrounds
Dinner

Tuesday 19 September

Honours Talks
Lunch
Stoneham Poster Prize
BBQ Dinner

Wednesday 20 September

Meetings with Research Groups and potential Supervisors
Lunch and Farewell

THE UNIVERSITY
of ADELAIDE

RSVP and Application

If you would like to attend, could you please email joshua.ross@adelaide.edu.au by **Friday 18 August**, providing the following:

- i) Up-to-date copy of your academic transcript;
- ii) Up-to-date copy of your CV;
- iii) Indication of the areas of research within the School that you are interested in pursuing in your PhD and a brief paragraph explaining why, and ideally the name(s) of at least one staff member you have identified as potentially a suitable supervisor; and,
- iv) Indication of whether you wish to be considered for a travel support package (please see below), and whether your attendance is conditional on receipt of such support.

Travel Packages

A limited number of travel support packages are available on a competitive basis for Australian and New Zealand Citizens and Permanent Residents of Australia. The support consists of return economy airfares, airport transfers in Adelaide, 2 nights accommodation, and meals whilst in Adelaide. Preference will be given to those students that are likely to attain a PhD scholarship and whose interests align closely with staff in the School of Mathematical Sciences at the University of Adelaide, along with consideration to representation of the School's research interests.

Please do not hesitate to contact Joshua Ross with any queries, we look forward to seeing you at the School of Mathematical Sciences PhD Open Days 2017!
